

# Movie Passes!

## *Limited Offer for Free Movie Tickets*

Have fun with your friends over Spring Break by spending an alcohol and drug free night at the movies.

While our supplies last, Oregon Partnership is giving away Regal Entertainment Premier Movie Tickets, valid for any movie, any time over Spring Break.

To request movie tickets, please have your **parent or guardian** call Oregon Partnership at 503 244-5211 and ask for Penny. Then place your order for a maximum of two tickets. Two tickets per request can be ordered. Please limit your request to no more than one time over Spring Break. Supply is limited as well as quantity for each request. **Phone call requests for movie tickets must be made by your parent or guardian.** The movie tickets are limited to availability based on a first come, first serve basis.

Your tickets will be mailed to you the day of, or day after you make your request. We will require a name, address, and contact information to mail movie tickets. Upon requesting tickets, Oregon Partnership will also ask for some related campaign information as well.

For additional information regarding the Spring Break Alternative Activity Campaign, please contact Emily Moser, Director of Parenting Programs at Oregon Partnership at [emoser@orpartnership.org](mailto:emoser@orpartnership.org)
